

Sijan Mahato

Tokha, Kathmandu • 9816207570 • Sizanmahato@gmail.com

Dedicated IT professional with foundational experience in system maintenance, network administration, and database management. Currently transitioning into backend development with expertise in Laravel, MySQL, and API design. Eager to apply knowledge in backend architecture, RESTful APIs, database optimization, and server-side logic to real-world projects. Seeking a Junior Backend Developer role to gain hands-on experience and contribute to building scalable and efficient server-side applications.
