Sijan Mahato

Tokha, Kathmandu • 9766869615 • Sizanmahato@gmail.com

I am a dedicated IT professional with hands-on experience in system maintenance, network administration, and database management. Currently seeking a **PHP internship** to further develop my expertise in Modern Web Application Development and **UI/UX design**. I am also skilled in tools like **MySQL** for database management and **Firebase integration**. With a strong technical foundation and a collaborative mindset, I am motivated to contribute effectively to innovative app solutions while enhancing my knowledge of PHP development.
